2016 UCI ROCHESTER CYCLOCROSS - PHOTO SUMMARY 23-25

Welcome to the 2017 edition of Rochester Cyclocross – two days of UCI Men's and Women's elite racing (C1 Saturday & C2 Sunday) AND plenty of amateur categories as well. We know you'll be thrilled with our new venue and new course!

In 2016 we moved to a new park - Genesee Valley Park, which is about 3 miles from the City of Rochester. We loved Ellison Park, but the event simply outgrew the facilities there and Genesee Valle Park was the perfect next step! Genesee Valley Park is Monroe County's largest park and was designed by famed landscape architect Frederick Law Olmstead. Olmstead's other great works include New York's Central Park. With the park's rolling landscape and old-growth trees, this park has gorgeous natural terrain perfect for our international-caliber course. Conveniently located within the city limits and just outside of the campus of the University of Rochester - it's minutes from the airport, restaurants, shopping, hotels and bike paths. Genesee Valley Park is the perfect new home for our flagship cyclocross weekend.

Our new course is challenging and diverse and the venue provides an excellent host location for a UCI level event – with spectator and amateur parking right next to the course. For big teams with vehicles and rigs to display, there is a dedicated, level-ground, parking lot area in the center of our venue – right next to the finish line. Facilities both on course and off will be to everyone's liking as well. We've also added a "club row" to provide amateur riders/teams a space for their team tents. We're excited to introduce this new venue to the cycling world and we know this will be a fitting and challenging kickoff to the 2017 UCI/USAC ProCX calendar.

Riders must sign-in and pick up new bib numbers for each day of racing.

PRO TEAM PARKING

Elite Teams may park adjacent to the finish line and start area by reservation only for **$200** for the weekend. Register on BIKEREG.COM to reserve your space (limited spots available, first come, first serve). This area is flat and within a crushed-stone parking lat. Water is available next to the lot. *For locations, please refer to the course map on page 10 of the Tech Guide.*

SECONDARY PRO TEAM PARKING

Limited overflow is available for *smaller elite team vehicles* on the grass next to the parking lot for **$100** for the weekend. Register on BIKEREG.COM to reserve your space (limited spots available, first come, first serve). *For locations, please refer to the course map on page 10 of the Tech Guide.*

ATHLETE FREE PARKING

We have made parking available, for free, in the parking lots off of Kendrick Road (right next to the course and a three minute walk to registration). Specific location of free parking can be found on page 10 of the Tech Guide. Permission for parking lot usage was granted by the University of Rochester Medical Center and rented for the weekend from U of R Parking Lot Services. Please be respectful and "leave no trace". THANK YOU!

CLUB ROW

We have limited space available for amateur team tents for the weekend. Amateur athletes/teams can purchase space for a 10x10 tent for **$75** or space for a 10x20 tent for **$125.** Both options require athletes to park their vehicle(s), for free, in the parking lots off of Kendrick Road (right next to the course and a two minute walk to CLUB ROW). Areas MUST be clean and orderly all weekend. Register on BIKEREG.COM to reserve your space (limited spots available, first come, first serve). *For locations, please refer to the course map on page 10 of the Tech Guide.*

EVENT (venue @ GENESEE VALLEY PARK) and HISTORY (previous venue @ ELLISON PARK)

- The 2017 ROCHESTER CYCLOCROSS event will be a UCI Class 1 for Saturday and a UCI Class 2 for Sunday. The race venue @ Genesee Valley Park has diverse and amazing terrain. The amenities and parking are superb for a large scale international event – perfect for UCI cyclocross.
- The race venue for The ROCHESTER CYCLOCROSS moved to Genesee Valley Park in 2016 and was a UCI Class 1 for Saturday and a UCI Class 2 for Sunday.
- The Ellison Park Cyclocross began in 2008 as the first sanctioned cyclocross event in a Monroe County Park. The event was awarded a 1-day Class 2 UCI event in 2010 and advanced to a 2-day Class 2 UCI in 2012. In 2014 and 2015 the event was granted Class 1 status on Saturday and C2 on Sunday.

COURSE DESCRIPTION

The new 3.2 km course is grassy, diverse, has punchy small climbs and descents and has some unique woods sections as well. Each lap of the course contains approximately 139 feet of vertical climbing per lap. The race course includes 1 man-made barrier/planks set, one natural barrier obliging riders to dismount their bikes, multiple run-ups, a rolling platform on a descent to either ride over or jump from and a Belgian staircase. The double-sided pit is located at mid-point on the course and is clearly labeled.

Overall, the course contains a variety of terrains including grass covered slopes, a section of paved path that is 3 meters wide, as well as dirt sections. The course winds through a section of old growth evergreens and uses numerous natural features as technical challenges.

The course is designed in a “U” formation to accomplish simple access to Registration/EVENT HQ and easy spectator flow while having as few crosswalks as possible.

The Start section is separate from the race course and is only used for the start of each race. The start is located by the finish line.

COURSE MAPS Course may change due to weather conditions. Please note the location of **Start** and **Finish** lines.

Upon athlete and team manager arrival, please go to EVENT HQ/Registration as soon as possible.

Race course is 3180 meters in length and 139 feet/42 meters of climbing per lap.

LOCATION OF OFFICIALS, SECRETARIAT, ACCREDITATION ISSUE POINT, REGISTRATION & PRESS/MEDIA TENTS

The included course map illustrates the location for: *(please refer to the course map on page 10)*

1) The OFFICIALS' area is located immediately adjacent to the FINISH line on a raised platform.
2) The SECRETARIAT and PRESS/MEDIA area is located within the EVENT HQ - it is equipped with tables, chairs, and internet access for the officials/press/media to use.
3) The ACCREDITATION issue point and REGISTRATION is located within the EVENT HQ.

On-Site Registration, operational schedule: Opens @ 7:50 a.m. & closes @ 4:00 p.m. each day.
For location, please refer to the course map on page 10 of the Tech Guide.

TIMING, SCORING AND RESULTS

Timing and scoring will be done using a computer program by our timing staff. In addition to the staff and computer program, a high-speed camera will also be present at the finish line. The timing equipment and staff will be located in the officials' tent on a custom raised platform immediately adjacent to the finish line and truss.

Results will be posted on the Results Board in EVENT HQ. Results will also be posted on the race website at www.rochestercyclocross.com.

RACE NUMBERS

Proper number placement is crucial for correct scoring and accurate results.

Bib numbers must be clearly displayed and properly placed. Riders will be provided with an example of correct bib number placement at registration.

Riders with long hair must be sure their number is not obscured.

Forearm numbers should be placed as illustrated in the image to the right.

Do not fold or cut bib numbers! Riders with improperly pinned numbers will be sent to the back of the starting grid unless they are corrected.

EQUIPMENT REQUIREMENTS

Approved helmets required for all riders

Riders in the amateur races may ride cyclocross or mountain bikes, provided bar ends are removed. Disc brakes are acceptable.

Fat Bikes must meet the following requirements:

- Tires must be a MINIMUM of 3.8 inches wide (tires that don't declare the size printed on the tire could be measured) and cannot be studded
- Rims must be a MINIMUM of 50mm wide (rims that don't declare the size printed on the rim could be measured).
- No 29" or larger wheeled bikes allowed.

Changes to UCI Cyclocross rules have resulted in the following equipment requirements:

- Disc brakes are permitted in UCI events
- Tire width is reduced to a maximum of 33 mm for UCI events
- Feeding is not permitted during the race. However, bicycles and spare bicycles may have a water bottle on the frame.

START ORDER

Amateur races: *(please refer to the course map on page 10)*

The start staging area is located before the finish straight. Riders are advised to be in the vicinity of the Start Staging Area at least 15 minutes prior to race start time.

Rider call-ups/start grid position will be done based on Crossresults.com standings. If riders are not present with 10 minutes to start and miss their call-up, they will lose their start grid position. Concerns about start order should be addressed with the Registrar no less than 30 minutes before the start of the respective event.

Elite Women and Elite Men's races: *(please refer to the course map on page 10)*

The start staging area is located before the finish straight. Rider call-up will begin about 10 minutes before race start. Riders not present who miss their call-up will lose their start grid position. Call-ups will be in a generally numeric order.

The start order is determined:
1) Per the latest published individual UCI Cyclocross Classification.
2) Unclassified riders by random draw established by the commissaires

Confirm your ranking points with the Race Secretary when you pick up your bib number each day.
Upon entering the starting grid, race officials will be checking the placement of your numbers and the width of your tires.

PIT REQUIREMENTS AND NEUTRAL SUPPORT

Each Elite rider is allowed two mechanics and one paramedical assistant. Each rider will be issued up to 3 pit passes with their corresponding rider numbers at sign-in. No other personnel shall be allowed in the Pit Zone. Anyone receiving a pit pass must show a USAC/UCI license and have it recorded with the number of the rider(s) they are supporting. (NOTE: any valid USAC/UCI license is acceptable, except one-day licenses)
(for Pit placement, please refer to the course map on page 10)

Race staff will provide pit pass badges prior to packet pick up at sign-in. All credentials MUST be picked up 1 hour prior to the start of the race. Race staff and officials will check for credentials in the pit and any individual found without proper credentials will be asked to leave the pit area.

Neutral Support will be available for all riders in the pit area for both days. A USAC certified mechanic will be available.

Two powered pressure washers will be utilized by staff operators on-site in the pit area. There are also 1.5 gallon mini water sprayers available in the Wheel Pit for individual use.

SRAM NRS is our official neutral race support company.

FEEDING

Riders may not take food or beverages offered by spectators from the beer garden/food court or any other places on the course. Doing so may result in disqualification.

HOT WEATHER RACING

In the event of exceedingly warm
racing conditions (to be determined by our UCI Commissaires) which can and has happened in early September, race management will have a water mist just past the 1st exit of the wheel pit and/or cold water tubs available after the race finish (located just past the finish line).

LAPPED RIDERS

Please be courteous and move to the side when being lapped, do not contest or interfere. The Chief Referee can and will pull lapped riders, but it is our intent to allow all riders to finish each event. For the Men's and Women's UCI events, the 80% rule may be applied at the President's discretion.

Early bell option for USAC events

- Lapped riders will be left in the race but are not to interfere with the leaders on course.
- The lap cards will change to 1 lap-to-go based on (the scheduled time of the race)-(the average lap time X 1.3).
- Some riders may see the cards change from 3-to-go to 1-to-go and will get the bell before the leaders on the course.
- Riders caught by riders who got the bell will finish when the lap cards display 0 laps-to-go.
- Riders are placed by time if on the same lap as the leaders, or "@ Laps Incomplete" if they do not complete the full race distance.
- Riders abandoning will be listed as DNF in the results.

EVENT MEDICAL STAFF

Local ambulance services and the county sheriff have been informed of the event. An ambulance will be on standby on Moore Road within the park *(please refer to the course map on page 10)* for the treatment of minor injuries for athletes, staff and spectators. First aid will be available in the Medical area located within the EVENT HQ. At least one doctor and 4 trained first aid providers will be on course. *(please refer to the course map on page 10)*

HOSPITALS

Strong Memorial Hospital (.5 miles / 2 minutes) – 601 Elmwood Ave, Rochester, NY 14642 585.275.2100

Highland Hospital (2.1 miles / 6 minutes) – 1000 South Ave, Rochester, NY 14620 585.473.2200

POLICING AND SECURITY ARRANGEMENTS

County sheriff deputies and park security have been notified and will be available throughout the event.

There will be a minimum of 4 crosswalks on the course and these will be manned by course marshals on both sides of the course throughout the event.

Security personnel will be located at the beer garden/food court under the large pavilion by the finish line.

ANTI-DOPING

The **Rochester Cyclocross** is subject to UCI/USADA anti-doping Examination Regulations and all competitors and team personnel must abide by these regulations. Any riders with a nonnegative test result (following any adjudication process) will forfeit any prizes won at the event.

Anti-doping control will be within the Monroe County Sheriff Command Center located by EVENT HQ. The list of riders required to report will be posted on the Results board prior to the finish of the race. The racers will be required to report to anti-doping control within 30 minutes after the finish of the event.

It is the responsibility of the rider and/or his/her team personnel to ensure that he/she reports to anti-doping within the required time.

PODIUM ETIQUETTE AND CHANGING AREA

Immediately following the completion of each race on both September 9th and 10th, the top 3 riders must proceed to the podium area. This includes ALL amateur and elite events. The podium area is on a raised platform within EVENT HQ. **The top three finishers must report to the stage for awards, podium pictures and potential interviews with the professional announcer.**
Riders are advised to have podium bags ready prior to the race (a podium bag typically contains a clean jersey and any essentials to prepare for awards and photos). If riders have support staff, they may assist their rider in the changing/preparing but support staff is not allowed on the podium stage. There will be an "Elite Awards Prep" tent located within the EVENT HQ.

Prize money may be withheld from a rider who does not report for the podium ceremony. It is a rider's responsibility to be present for the awards presentation. All podium finishers **must wear his/her race/team kit for podium pictures – please note that riders are allowed additional/warmer team clothing in cold weather.** ***This is your opportunity to support your sponsors and the event sponsors!***

BIKE PODIUM DISPLAY (Elite Riders Only)

Podium finishers in the men's and women's elite races are asked to **report to the podium with his/her bike.** A "top 3" bike display is located adjacent to the awards stage. ***Again, this is another opportunity to support your sponsors and the event sponsors!***

AWARDS CEREMONY PROTOCOL

The riders that must report to the podium are the Race Winner, 2nd and 3rd place.
Note that failure to attend awards ceremonies results in **200CHF and forfeiture of prizes for a C1 event**, **100CHF and forfeiture of prizes for C2 event.**

- Elite awards podium ceremonies will be held immediately after the finish of each race on both days.
- There will be a podium for 1st ME U23 Rider & 1st WE U23 Riders each day (immediately following the ME awards and the WE awards).
- Amateur awards podium ceremonies will be held approximately 15 minutes after the completion of each race on both days.

POST EVENT PRESS CONFERENCE

Top 3 athletes should go straight from the Awards Ceremony to the Press Conference.
The Press Conference and interviews will be held at the Awards Stage
Riders shall remain in the podium area briefly after their ceremony for potential interviews.
Riders should then report to anti-doping if required.
